

THE WINDCHEST

OMAHA CHAPTER OF THE AMERICAN GUILD OF ORGANISTS

JANUARY 2023

FROM THE DEAN

Happy New Year! Sitting here looking at the dreary January 2 weather, I believe I have figured out why we do so much festive lighting for the holidays. Our lights are still up, and I'll leave them up until Epiphany on January 6. It does my heart good to see the timer light up the tree at 5 p.m., as well as turn the tree on early before I wake up.

However, January brings good intentions, but for most of us it marks a return to what we've been doing all along. Perhaps we can resolve to approach what we do with renewed vigor and enthusiasm. For those of us with weekly responsibilities, things can easily become a grind. Hopefully, we can have a bit of time to regroup and find renewed joy in what we are doing. For those of us who provide music for worship, remember that our efforts are helping God's people bring their praises before the Almighty.

I have good memories of what our chapter did in 2022. Our programs, our return to in-person events, the joys of getting together and learning something about our instrument and profession—all of these were good. Be sure to read the January issue of *The American Organist*, especially the article and photo from our October recital at St. Wenceslaus by Timothy Schreiber on p. 88, and the obituaries for the passing of our two honorary members, John A. Hanson on p. 25 and Harold W. Payne on p. 27. Please also note the detailed certification requirements on p. 66. Our certification chair is Dr. Jeremy Owens. Contact him for details. Jeremy.owens@briardiff.edu Perusing what other chapters did recently, it appears recitals are once again happening all over the country.

We also offer our sympathies to our chapter friend, Sara Young over the sudden and unexpected passing of her sister shortly before Christmas. Sara has been dealing with her own health issues, and the suddenness of her sister's death saddened the holiday celebration for her and her husband John.

Be sure to put our 2023 Chapter events on your calendars and plan to take advantage of what these largely educational events can offer us. We have some good presentations lined up on subjects that can be helpful to us professionally and personally. Hope to see you at them.

Stephen Bartelt, Dean

SCHOLARSHIP FUND

We are pleased to announce that with the contributions and memorials recently received, we will again be open to applications for \$300 scholarships for new organ students. What we can do to encourage young organists will bear fruit in years to come as these young people move into serving churches and other organ positions. During the past two years, the chapter awarded six scholarships to students taking lessons from any of our chapter members. Details including eligibility requirements and the form for applying for scholarships are on the chapter website.

BOARD MEETINGS

The chapter Board meets the second Thursday of the Month at 10:00 a.m. at First United Methodist Church. Members are always welcome to “visit” a Board meeting and see your chapter leaders at work. Please let the Dean know in advance if you are planning to attend a Board meeting, especially if you have a concern you would like to mention to the Board.

A FINAL THOUGHT FROM THE DEAN . . .

My motto for 2023 as stated on a button given me this Christmas from my family:
